**2003 LIBRARY STATISTICS AT A GLANCE**

4,123,615	Number of visits to the Web Site
2,981,163	Total Circulation
2,502,312	Total Cataloged Items
1,928,336	Total Visits to CLP Locations
1,836,434	Questions Answered
226,874/51,076	Library Card Registration (cardholders/new & renewed cardholders)
8,801/162,418	Library Programs (programs/attendance)
4,169/49,871	Community Groups' Use of the Library (groups/attendance)

On July 1, 2003, Carnegie Library of Pittsburgh's operations changed to address the significant reduction in public library funding from the Commonwealth of Pennsylvania. All libraries under CLP management reduced operating hours by an average of 24% and eliminated non-grant funded outreach by 100% through the end of the year.

As part of the Library's Capital Improvement Program, several locations were closed and under construction in 2003. The Carnegie Library of Pittsburgh-Homewood was closed for renovation from February to November. The Carnegie Library of Pittsburgh-Brookline was closed for renovation starting in June, and the Main Library's First Floor Renovation Project began in July.

The 2005 statistics represent all CLP locations including the Library for the Blind and Physically Handicapped (LBPH). When comparing these statistics to 2002 statistics, it is important to remember that the 2002 data included Bookmobile services, while the 2005 data did not.

For more detailed financial and statistical information, visit our website at [www.carnegielibrary.org](http://www.carnegielibrary.org).
